

HE ARA WHĀNAU

Are you worried about the health and wellbeing of your whānau while you are on remand or sentenced?

If you or a loved one are facing imprisonment or remand, you don't have to go through it alone.

We offer support for whānau Māori and whānau of Māori who are on remand or sentenced, with their needs.

Things like:

1. Supporting the care and wellbeing of your tamariki.
2. Helping your whānau to get nutritious kai.
3. Connecting them to a wide range of other support services, like housing, health, education and employment.
4. Speaking up for your whānau and advocating with government agencies.
5. Supporting strong and united whānau relationships.

Your whānau will always be able to decide what support they need – our job is to make sure that they are aware of the options available and to help with accessing them.

How it works

1. Let Department of Corrections staff know that you want to be referred to Te Pā and they will take care of that for you.
2. We will be in touch with your whānau within 24 hours of receiving the referral.
3. Your whānau's immediate needs will be assessed and prioritised within 7 days of receiving the referral, and support will continue to be provided for up to 6 months to make sure they can manage on their own.

Privacy Statement as follows:

So that we can support your whānau, we will be collecting information about you from Ara Poutama Aotearoa. We will keep your information safe so it can only be seen by Te Pā staff who need it to support your whānau while you are in prison. You have the right to ask to see any information about you that Te Pā holds, and to ask for it to be corrected if you think it is incorrect. Please contact us to help you with requesting your information.

TE PĀ
